

## OPEN HOUSE RULES

To accommodate sales of units and maintain building security, visitation and showing of units by appointment and open houses for unit owners, real estate agents and caravans may occur Monday through Sunday, 10:00 a.m. to 4:00 p.m., so long as they do not unreasonably inconvenience residents.

The Management Office must be notified in writing of these activities at least seven (7) days in advance.

All Open House visitors must sign in at the front desk and be greeted in the lobby and escorted to the unit to ensure attendees do not wander the building.

All amenities outside the unit must be shown to attendees by the realtor or owner.

“For Sale” signs may not be posted in unit windows or any other common areas, or sidewalk entrances of the building (including commercial and garages).

Signs for individual items for sale may be submitted to Management to be posted on bulletin boards.
